Size

UNI

PIPER Comfort is the new state of the art comfort rehab-buggy. Fully foldable lightweight aluminum frame. Buggy is equipped with seat base with adjustable calf rest, extended reclining backrest, solid wheels of 175/225mm, big detachable and adjustable footrest, 5-point belt with shoulder pads. Backrest is equipped with flexible multi-anchoring system for optimal accessory shoulder alignment. The variability of the buggy and the ability to attach a wide range of accessories, ensure the Piper meets the majority of user requirements. The correct usage of the product should be consulted with a seating specialist. Products correspond to the newest EC standards as well as hygienic, technical and safety requirements.
